

Dear Customer:

Subject: DairyAmerica's Statement on milk powder derived from cloned cows

Thank you for your recent inquiry concerning DairyAmerica, Inc. (DA) position on the issue of milk powder derived from milk produced by cloned cows.

DA and its Members are aware of the concerns of its customers surrounding the marketing of milk derived from cloned cows and their progeny. We will continue to monitor the activities of the Food and Drug Administration (FDA) as well as the general situation in the dairy industry.

At this time, DA and its Members have approved the following statement:

*DairyAmerica, Inc. will not knowingly market milk powder derived from milk produced by cloned cows.*

DA is committed to providing its customers with dairy products that are safe for human consumption and fully comply will all applicable governmental regulations.

Please call us at (800) 722-3110 with any further questions or concerns.

Sincerely,
